### Community Service Projects

Monthly meetings, programs, and projects center around five main areas:

**Arts and Culture** - encourages promotion and support of art and cultural programs in the club and community, and to expand understanding on every level, from local and regional to national and international.

**Civic Engagements and Outreach** - highlights and encourages citizenship; crime prevention, safety, and disaster preparedness; the needy, hungry, and homeless; and our military personnel and veterans.

**Education and Libraries** - designed to foster schools, as well as other educational institutions and opportunities. These projects promote libraries, literacy, and the love of a good book.

**Environment** - encourages stewardship of the earth by working to preserve the world's resources, protect wildlife and domesticated animals, live sustainably, and beautify our communities and enjoy nature.

**Health and Wellness** - explore the various opportunities for awareness and advancement in nutrition, disease prevention, and physical and emotional care.

Membership is open to any woman living in the general area of Cocoa Beach, who is interested in helping to support the efforts of the Club. The prospective member needs to attend at least one general meeting before submitting a membership application. Applications are accepted any time.
